

Information to assist with travel plans for Mallory 2005

Please follow directions included with Notice of Race to drive to Port Angeles. The directions require that you take a ferry from Edmonds, WA to Kingston, WA. Ferry schedules can be found at www.wsdot.wa.gov/ferries/schedules/current/index.cfm?route=ed-king and are generally very punctual. The ferry runs approximately every 40 minutes during the day, so if you miss one, the next will be leaving soon.

NWISA and the Port Angeles Chamber of Commerce have made hotel arrangements with the Red Lion Hotel for special room rates. The Red Lion can be found at www.redlionportangeles.com and reservations can be made on this website. Other hotels can be located at www.portangeles.org/10.html. Port Angeles is a fairly small town, with forest and rural areas surrounding it. For convenience, try and make reservations as close to downtown as possible. There are some hotels listed that are many miles from the downtown area, so ask about driving time from the hotel to downtown.
